The SPMDTU is an organization founded in 1900 by Celedonio Mondragon along with a core group of supporters in Antonito, a small town in the San Luis valley of Southern Colorado. The SPMDTU is the oldest surviving Hispanic organization in the United States. It is member run, and comprised of a diverse group of men and women who conduct monthly meetings and functions, in order to further the organization's vision. They are bound together by their common interest in enriching Hispanic communities and families, with fundraising efforts at providing and enhancing community services as well as supporting education.

The SPMDTU Denver Concilio #7 Scholarship program was established in 1998 after members unanimously agreed to try and raise funds, which would be used to provide financial support to deserving students who might otherwise be unable to continue their education.

The funds are raised through various fundraising events, corporate donations, and SPMDTU member contributions. Thanks to all participants and sponsors, we are able to report that we have raised and dispersed over \$170,000.00 in scholarships to deserving students.

Please join us again to raise funds for scholarships that enable us to assist young people with their educational goals. All proceeds of this tournament will go to the Scholarship Fund.
